PLANT-QUARANTINE IMPORT RESTRICTIONS

BRITISH INDIA

According to Notification No. F. 16-5(1)/43-A., the Department of Education, Health, and Lands of the Government of British India has promulgated an order for the purpose of prohibiting, regulating, and restricting the import of live fungi into British India, as follows:

"1. In this order, fungus means any living fungus in culture media or on living plants or any fungus spores or mycelium intended to be so cultured, but excludes dried specimens not intended to be so used.

"2. No fungus shall be imported into British India unless--

(a) it is consigned to the Imperial Mycologist, Imperial Agricultural Research Institute, New Delhi; or

(b) it is accompanied by a special permit, in accordance with the form set forth in the Schedule of this order, authorizing such importation issued by the Imperial Mycologist:

Provided that a permit shall not be refused in respect of any fungus which is not, in the opinion of the Imperial Mycologist, likely to cause infection to any crop.

"3. This order shall come into force with effect from the 1st September 1943."

S. A. ROHWER,
Acting Chief, Bureau of Entomology and Plant Quarantine.
